DREAMIN' OF DARIEN

Dear PURELY 18,

It was during the whirlwind of emotions surrounding 9-11 that I picked up PURELY 18 #21 and it made everything so clear. What could possibly be more patriotic than a beautiful girl who just inched her way into legal tender territory, stripping down to make her country feel strong and proud once again?

For me it was Darien who really got me grabbing for my flagpole and I raised my banner in record time and have been flying it every morning ever since. Her gentle peaks, smooth valley, and fruited plains are just what a fellow like me needs when the state of today's affairs starts to get him down. It's pouty 18-year-olds like this that our brave men and women are scattered around the world fighting for, to protect their freedom to show their beautiful bodies and stimulate the loins of every man who can get his hands on a copy of the photos.

Thank you, PURELY 18, for doing your part in this fight against the evildoers. You are great patriots and you will be rewarded greatly in this life and another.

Rick
Paint Creek, TX

Dear Rick,

We wouldn't dared have ever thought of ourselves in these terms, but we appreciate the respect and support and, of course, Darien loves all the attention she can get. She's so young and playful that she doesn't know much about politics, but she sure plays her role in your scenario well. USA! USA! USA!

ANAL AMABELLA

Dear PURELY 18,

If there's one lesson I have learned from my years of reading PURELY 18 it is that there's only so much time and that we need to live life to the fullest. I was thrilled to see Amabella in your issue 21 getting her ass stuffed to the fullest. It's so nice to see such spirit from a girl so young. While some never learn the joy of the three-hole adventure, Amabella looks like she's pretty aggressive and knows what she wants.

Of course, when a girl is that beautiful—Amabella clearly has an unforgettable body and a face that matches up, too—she has her choice. A chick like that can walk into a bar (if she were old enough to get in!) or supermarket, snap her fingers and have a line of guys with bulges in their pants eager to meet her every need and desire. Hell, if I were there I'd punch any guy who tried to get in line in front of me, right in the mouth!

Do you think you could run a pic of her getting slammed in the ass while the guy peels her pink taco apart? I had one, but I gave the photo a few too many special toppings and, well, I'm sure you can understand.

NATALIA & SONIA

Dear Gary,
We certainly do understand. Seeing a sweet tart like Amabella getting fucked in the ass is a treat that we all like to partake in, even if it's just getting to see the pics in the mag. Enjoy this bonus shot!

NATALIA & SONIA: CAN WE BONE YA?!

Dear PURELY 18,

While I always enjoy seeing a little lady lovin', sometimes it seems like it's not quite as hot as I want. Girls are so nice and sweet to each other, sometimes I just want to yell, "Come on, just finger-fuck that little whore!" or something like that. I mean, when you have access to hot twat, you just gotta do something to it, right?

That's probably why I liked Sonia and Natalia's photos so much. These girls were practically fighting over each other's pussy. I really like when one would put some fingers in her puss and the other girl pokes her in the ass. I can just imagine their slender digits rubbing each other through the thin wall that separates those two magical holes. Oh, to be able to dip my dick into just one of those holes! Seems like there's more than enough to go around when you get two steamy teens all naked and spready—why not toss my cock into the mix and see what happens? Seems like a great experiment. Let me know if you want to go through with it.

Herman
Memphis, TN

Dear Herman,
While we all want to pull our cocks out when you get even one of these raw beauties around, let alone two, they seem pretty content to explore each other's body. After all, they are young and still discovering themselves. But don't forget, they are doing it so we can get off, too. They sure don't forget it, believe us on that!

KISS THAT ANGEL!

Dear PURELY 18,

Many years now, many years I have been subscribing to your magazine and never have I seen a girl who personifies PURELY 18 more than Angel Kiss. Young, beautiful, tight-lipped, and big-tittied, if a girl who is hotter, sexier, and more fuckable than Angel, please let her reveal herself to all of us. Until then, I nominate Angel for the purest PURELY 18 award in the history of purity.

I hope that we have a bright future for Angel in P18. I want to see those titties bouncing as she rides a big cock. I want to see that pouty mouth dripping with jizz, her narrow slit pulled open and her tasty clit exposed and expanded with the joy of her raging sexuality. Stick her face in another girl's teen snatch, bend that sweet ass over the couch and give it a black dick—we need to see everything, every possibility, every angle that this girl has to offer. I want to watch her grow, literally, her snatch slowly expanding before our eyes. Stick her on the cover until she's 19 and then sneak in a few more layouts just because one year couldn't possibly spoil this batch of girlie goodness.

Jon
Palo Alto, CA

Dear Jon,
That's exactly how we felt when we first saw Angel. She is a beauty among beauties and know that we're doing everything in our power to bring you more from this little hottie. Stay right where you are, you don't want to miss a thing.

This pigtailed princess is a cutie-pie alright—and her blonde braids make for the perfect set of handlebars as you're pumping her ass doggie-style! **Lola's** quite a catch with her sweet smile and her shaved snatch. Her delicious little body is bendable and lovable as she spreads her thighs apart and plays with her pristine, pink pussy. A yummy young girl you have to taste to appreciate, Lola is also the proud owner of a luscious ass that's shaped just right, and her supple little titties are just aching to be sucked. So what's not to love? We couldn't say—we love Lola every which way!

A Young Girl's Diary

What goes through the mind of a young girl is fascinating fodder. Each month, ***Purely 18*** *gives you a private look at the most personal of a young girl's thoughts, her diary. This time around, we examine a week in the life of* ***Gigi****, a curious 18-year-old, as she ponders her world of... what else ...****SEX!***

EMERGENCY EXIT
29107

Dear Diary,

My first time is something I'll remember the rest of my life and so will every guy I ever fuck, I can promise you that. The guy, I'll call him Mark since that's his real name, was definitely one of the hottest guys in school and he'd fucked pretty much every girl in town. I was a virgin so I guess that's why he hit on me for almost two years before I finally agreed to go out with him.

I thought it would be like a date and we would go to a movie or at least to the mall, but instead he wanted to take me out and show me one of his "favorite places in the world." We took the bus and got off about four or five miles out of town. There is a canyon nearby, so I figured we were going to have a romantic afternoon there, but we were about 50 yards away from the road when he started kissing me like I'd been begging to have his tongue down my throat for the past two years.

I'd kissed some boys to be sure, even let a couple guys get to second base. One guy I used to let jerk off in front of me while he played with my tits. That was pretty cool. Mark went for my tits real quick and was rubbing on them like he was trying to clean the blackboard with his palm. "They aren't going anywhere, you can slow down," I told him. He said he couldn't, he'd been waiting too long to have me. Besides, I was the hottest girl in school (even horny I knew that was bull!) and if he couldn't lay me he would absolutely kill himself. I sure didn't want that on my conscience!

He stuck his hand up my skirt and started rubbing my pussy. "Your pussy feels real wet and stuff," he said, breathing heavily into my ear. I said, yeah, it probably was. Then he started rubbing it and next thing I knew, he was pressing his dick into my hand. "You should put it in your mouth," he said. Well, okay, I said and I bent over and started licking it.

"It would probably be better if you got down on your knees," he said, so I did. He was right, it went right in and clogged up my mouth real good. I pulled my head off quick, but he told me that was right. "It'll help you make a lot of spit," he said. "Then it'll be all wet for your pussy." I kept sucking and after a couple minutes felt like I was getting the hang of it. He was moaning deeply, his hips rocking back and forth toward my head, which he held tight with both hands in my hair.

My shirt was already unbuttoned and I could feel my spit dripping down onto my tits. I wanted to wipe it off, but I had my hands wrapped around him and my fingers digging into his butt cheeks as he grunted and groaned, his floppy ball-sack flying so that his *huevos* smacked into my chin. I squeezed extra hard when I

He kept trying to talk about school so I just interrupted him and talked about sex until he changed the subject, which didn't take long. He said there was a girl in one of his classes that he'd hooked up with a bunch of times, but that was pretty much it. When we got to my house I asked him if he wanted to fuck me one time. Of course he said he did. I said, "You can come in and fuck me, but don't think it's ever going to happen again. When your cock is done, so are you." He shrugged, goofy grin pinned to his mouth.

I almost couldn't get his pants off because his cock was so big and hard that they clung tight. I finally ripped them over his bulge and went for his cock with my mouth. I looked up at him and his head was back, his eyes closed and he appeared to be gasping for breath. I shoved his dick back in my mouth and sent it back to my throat and was surprised to find his balls gathered together under my tongue. I curved my licker over them and massaged them with the bottom while his cock slid across the top. I pulled him in close to me, so close, his pubes were tickling my upper lip, then I let him go.

"Wow!" he said. "Rosemary never does that!"

"I hope Rosemary makes you lick her pussy," I said, "because I want you to suck on my twat until I cum on your tongue." He said he'd done it a bunch of times and it did feel like he'd had a little practice. He kept sliding his tongue into my pussy then swishing it around, which was new to me and pretty cool. Then he sucked on my clit and sure enough I did cum. I didn't know how well he'd be able to fuck me, so I wanted to make sure I got at least one orgasm in.

After I came down, I tugged on his cock and told him he could fuck me any way he wanted to. He told me he wanted me to get on top. I'd been so busy being aggressive about the whole thing that I almost forgot that I didn't really know what I was doing. In reality, I'd sucked one cock in a field and been fucked for a quickie, while Ross had been fooling around with that girl for a while now. I needed him to feel like I knew what I was doing, so when he took off all his clothes and spread out on the bed, I took all mine off, too, and sprawled out over him.

We both grappled a bit trying to get his dick lined up with my hole, but soon it was in and I squirmed around until I found an angle that felt really good. His cock throbbed inside me and I found that with my controlling the speed and movement I could cum really, really easily. Several times I would work it up until we were going really fast and then I'd cum and start off slow again. He asked me if I wanted him to get on top for a while, but I told him no. I was enjoying the discovery of how sex for more than two minutes could really make my pussy feel good.

I was having so much fun, I almost forgot about him until he told me he thought he was going to cum soon. I was pretty close, too, so I just kept on grinding and right after I came, he let out a howl that I guess was him cumming, too.

We got out of bed a few minutes later and he asked if he could help me with my homework again soon. I said he could, but it would be real homework next time, not fucking.

"I'm working on a little project right now," I said. "I need to fuck 100 guys in 100 days, so if you really want to help, tell your friends." Ross looked at me in disbelief and wanted to talk more about it, but I told him to get the hell out. Maybe we'll talk again after I hit 100, but until then, fuck these guys. I've got the pussy and if they don't like it, they can go back to jerking off in their goddamn socks for Mommy to wash for them. This girl needs to be fucked on her terms!

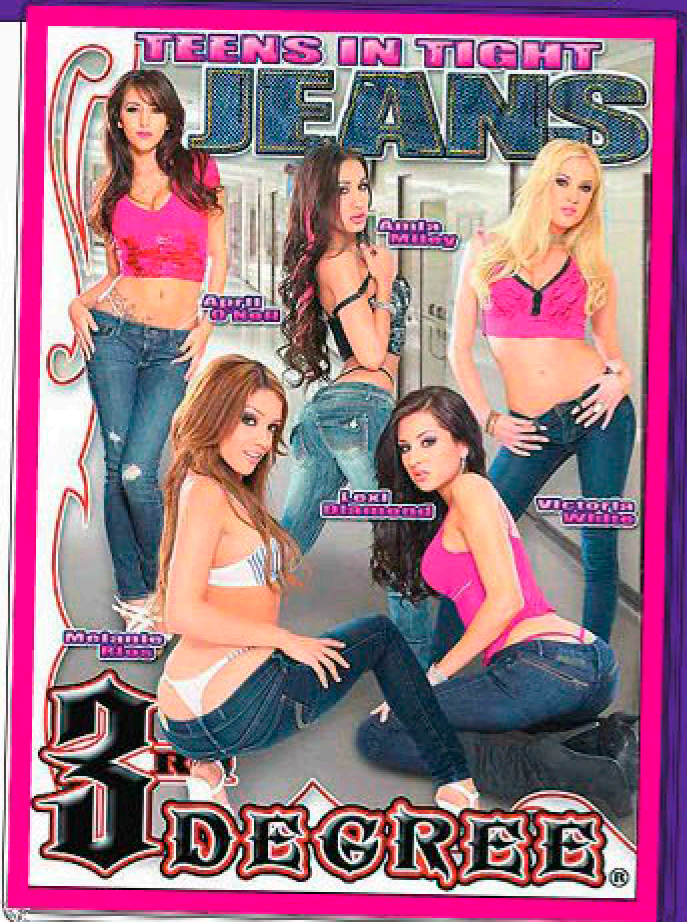
BEHIND THE SCENES OF

Teens In Tight Jeans

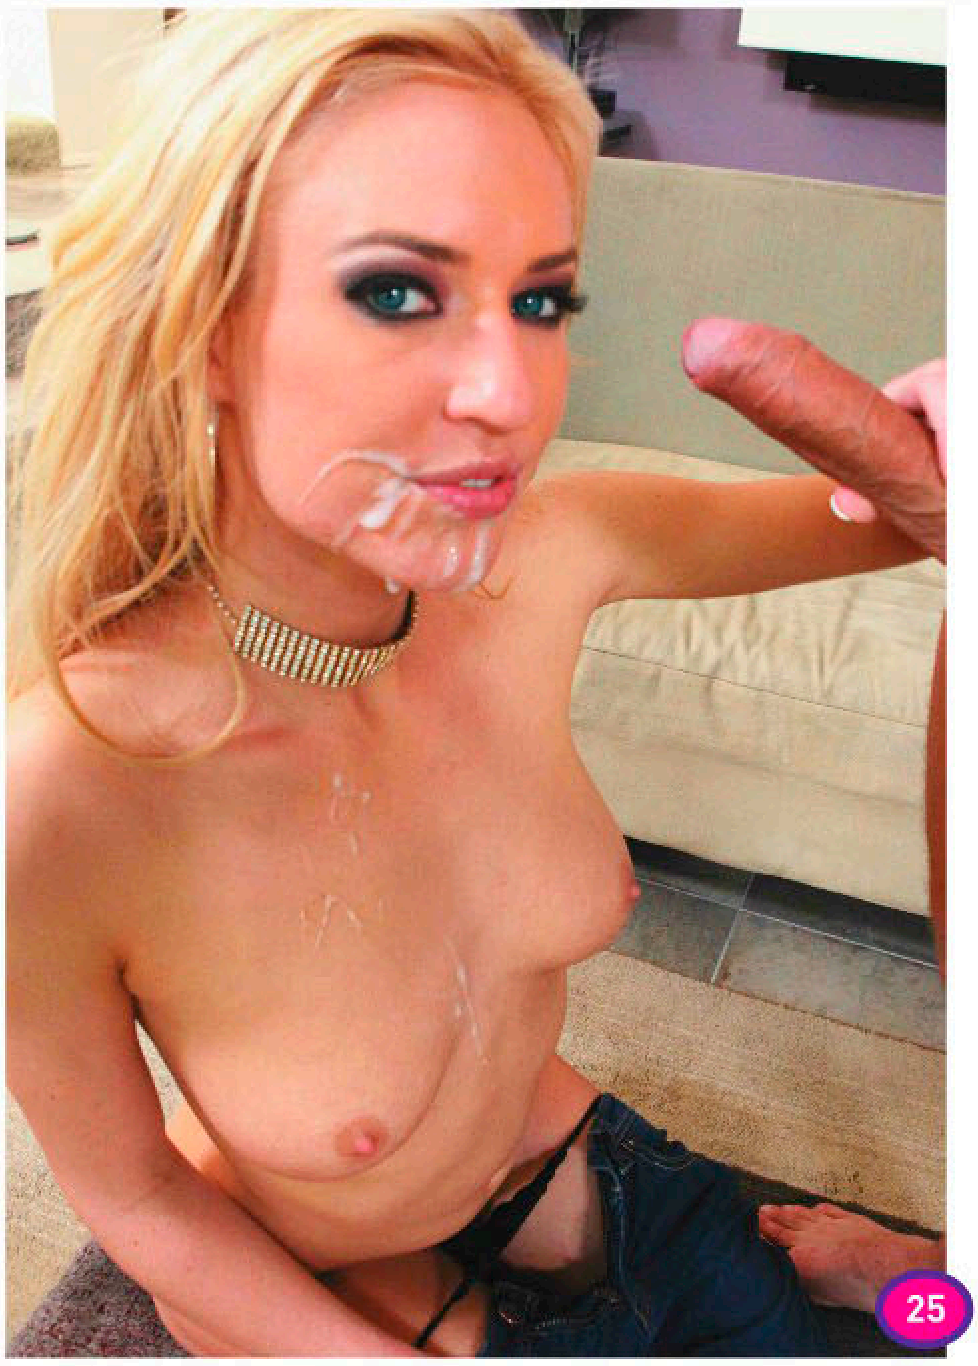
Every guy loves to undress a hottie with his eyes. It's only human nature to let curiosity get the best of us as we imagine what's on under those tight-fitting clothes. Daisy Dukes, spandex, and mini-skirts are all well and good—but nothing piques our curiosity more than seeing a teen in tight jeans and wondering what's *really* going on down below! And thanks to Third Degree's latest young-girl fuck-fest, we won't have to rely on our twisted imaginations anymore, as a cast of today's hottest new blue-jean babes slip off their hip-huggers and bell-bottoms and slip onto a stiff dick! So join us as we go behind the scenes to explore our naughtiest niche fantasies in *Teens in Tight Jeans*. You'll surely reach the same filthy, fun conclusion that we did - these denim-clad debutantes sure as hell wear it well!

for more information on this and other great adult DVD titles, visit **Thirddegreefilms.com**



VICTORIA WHITE ASSHOLE AUDITION

Victoria is strutting her stuff down the sidewalk on her way to Mick Blue's house for a jean modeling audition. Her skin-tight jeans are so snug, they look like they're spray-painted on! When she gets to Mick's mansion, Victoria sits on a stool and shows off her ass, a perfectly plump specimen with her thong peeking out. She crawls toward Mick and sucks his dick, giving a great POV ball-sucking, blowjob bonanza! Mick slides down her denim just far enough to admire her asshole, then pokes her posterior pin-hole spoon and side-saddle, highlighting her hiney just right. After butt-fucking the young babe, Mick splatters a hot wad on her face and calls it a wrap!



MELANIE RIOS BLAME IT ON RIOS

Melanie Rios thinks it's her fault that she hasn't been fucked on vacation. Nobody seems to pay any attention to her in her bikini, so she pouts and puts on some snug jeans as if to give up on the idea of attracting a stiff dick. Little does she know that's all it takes to grab the attention of Mark Wood, who can't help but worship her butt! Attention-starved and cock-starved all at once, Melanie slobbers all over Mark's woody 'til it's lathered in spit, then spreads open her pussy and asks for a five-star fuckin'. Mark obliges by porking the pretty princess this way and that, finally finishing the feisty fuck-fest by hosing his load all over Melanie's mesmerizing tushy!

APRIL O'NEIL ON THE FENCE

This sweet-ass brunette walks along a chain-linked fence in her skin-tight blue-jeans like she's practicing her walk of shame. But rest assured, it's no shame that **April's** gonna hike down her pants and get porked like there's no tomorrow! That's where Mick Blue *cums* in. He bends the young slut over his couch, pulls down her pants, and fucks her doggie-style. After a few more choice positions of pussy pounding, *April* gets *showered* with Mick's dick-milk, and the careless cocksman splooges all over her jeans and ass. Oops! Sure hope the laundromat's still open!

LEXI DIAMOND BEACHY KEEN

Lexi loves walking along the beach. All the other girls wear G-strings and teeny bikinis to attract attention, but it's Lexi who gets the guys' attention by wearing tight-ass jeans and spiked boots! She poses on the sand and shows off her ass, and Manny can't help but notice her fanny. In what could be the cheesiest pick-up line of all time, he tells her that he's starting a company where women in tight jeans suck cock, and the gullible glam-girl goes for it hook, line, and sinker! Lexi kneels in front of Manuel and services him beach-side before being banged in spoon, reverse cowgirl, doggie, and side-saddle. After unsuccessfully trying to fit his finger in her fanny-hole, Manny gives up on his anal endeavors and just blows his load all over her denim-clad dumper, making a mess of Lexi's luscious ass!

AMIA MILEY BUBBLE TROUBLE

Amia is a living porn paradox: a perfectly petite brunette with a plump, perfect bubble-butt. Not a bad problem to have, considering how hot this dungareed damsel looks! When she slides down those tight jeans, her whale-tail thong peeks above her belt-line, and those tight panties create the perfect camel-toe coochie for Mick to admire. She thinks her ass is too big for her jeans, so Mick puts her mind (and pussy) at ease by easing down her trousers just far enough to insert his trouser snake in her juicy slit! Amia uses her jeans to accentuate her fleshy ass as it bounces up and down on Mick's prick. He eats her out from behind and drills her side-saddle before stroking off on her pretty little face—now that's *amore*!

ANGELA

Butt Hole Surfer

It takes a special kind of 18-year-old girl to offer up her asshole for a good anal fuckin'. One who's slutty and curious beyond her years; one who's heard of the word 'boundaries' but thinks that they're meant to be broken; one who throws morality out the window and throws a cock in her tight little can. **Angela Devil** is one such 'special needs' teen who behaves oh-so-badly. "Fuck my ass and cum in my mouth," says Angela to her boyfriend's astonished ears. He obliges alright, humping her heinie and nutting a half-gallon of man-milk down the back of her throat!

LIVIA

Live and Let Pie

Sun Goddess

This month's Teen Dream centerfold is **Livia Godiva**. She's not a chocolate, but she is a tasty treat you'll be tempted to eat! A wide-eyed beauty that reeks of innocence and curiosity, Livia may be new to the porn world, but what she lacks in experience, she more than makes up for in desire. "I just want everyone to know I'm ready to get fucked hard – don't worry, I won't break!" explains our eager (bald) beaver as she slips a striped dildo between her fawnish thighs and plunders her young pussy. "I know I can handle a big cock—I'm just waiting for the right opportunity!" Um, we're ready to give you the opportunity of a lifetime Livia—can we fuck your tight little body now?

LEXI DIAMOND

STARRING: Tristyn Kennedy, Evilyn Fierce, Lexi Diamond and Tiffany Star with Mike Adriano
DIRECTOR: Laszlo H. **STUDIO:** Digital Sin

The memory of a young pussy getting broken in by a big cock can last a lifetime and we're lucky these fresh memories live on DVD, too, so we can go back to them again and again, because the first time through it's difficult to believe our eyes.

The fab four—Tristyn Kennedy, Evilyn Fierce, Lexi Diamond and Tiffany Star—is a capital set of young lasses, eager mouths, and purring pussies, each writing another chapter in her fuck book as she learns what it's like to really get her little muffin pumped.

It's all long blowjobs and pristine divides being plowed and seeds being planted in pretty mouths, perfect pink, and young minds. The future is here and it's never looked so nubile.

SHOT IN HD

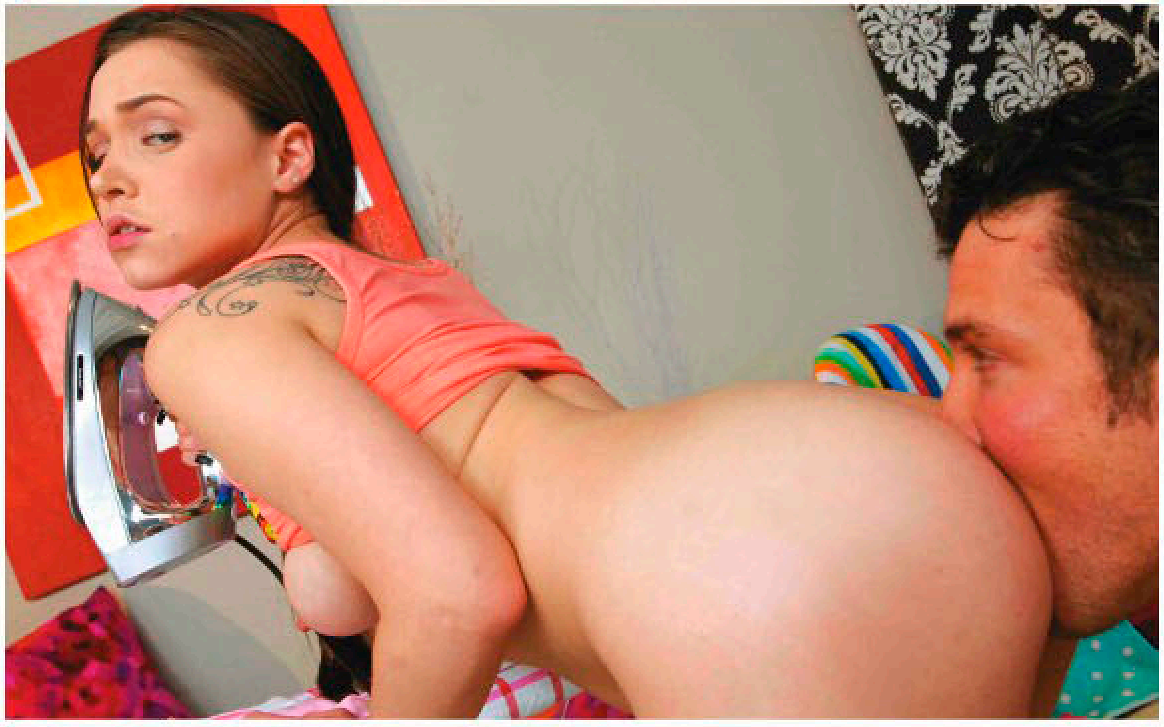
TIFFANY STAR

It would be hard to find a more sweet-bodied teen than Tiffany. Full and curvy but not even a hit of fat in her smooth skin, sporting a lovely thigh-gap and a rack that would be the envy of women at any age. She's teen-tastic in her boy-cut panties and tank-top, dimple-denting with her knowing smile, but when she gets undressed, all hell breaks loose in our pants. The booty is even bigger, the pussy unshaven for a couple days is showing the outline of its territory, and the balloons, oh, what we could do with them!

For Mike the tits are all fine and they get their love, but it's her snatch, delicious in its appearance, the deep contours and the shiny pink center, that's what true love is based on. After sharing plenty of prep work, Mike dips his stick into her snatch and she takes it not without some effort. She has some real "Oh shit!"-type moments as he shoves onward and her face cringes with the joy of discovery as he sets the pace for a race this pussy has never run.

He lets her take an early break to blow him for a while again, but when they continue, there's no stopping and she becomes a stuttering, shuddering mess as he pumps her hard and she holds a pink vibrator to her clit, moaning and mumbling as he sets a new standard for the just-18 stunner.

She enjoys the expansion his cock gives her, even if it seems to age her a year or more as a couple wrinkles show up on her forehead where there were none before. After taking him doggie-style and riding him hard, she begs for him to jizz on her pussy and he sprays her stubble with his white dots.



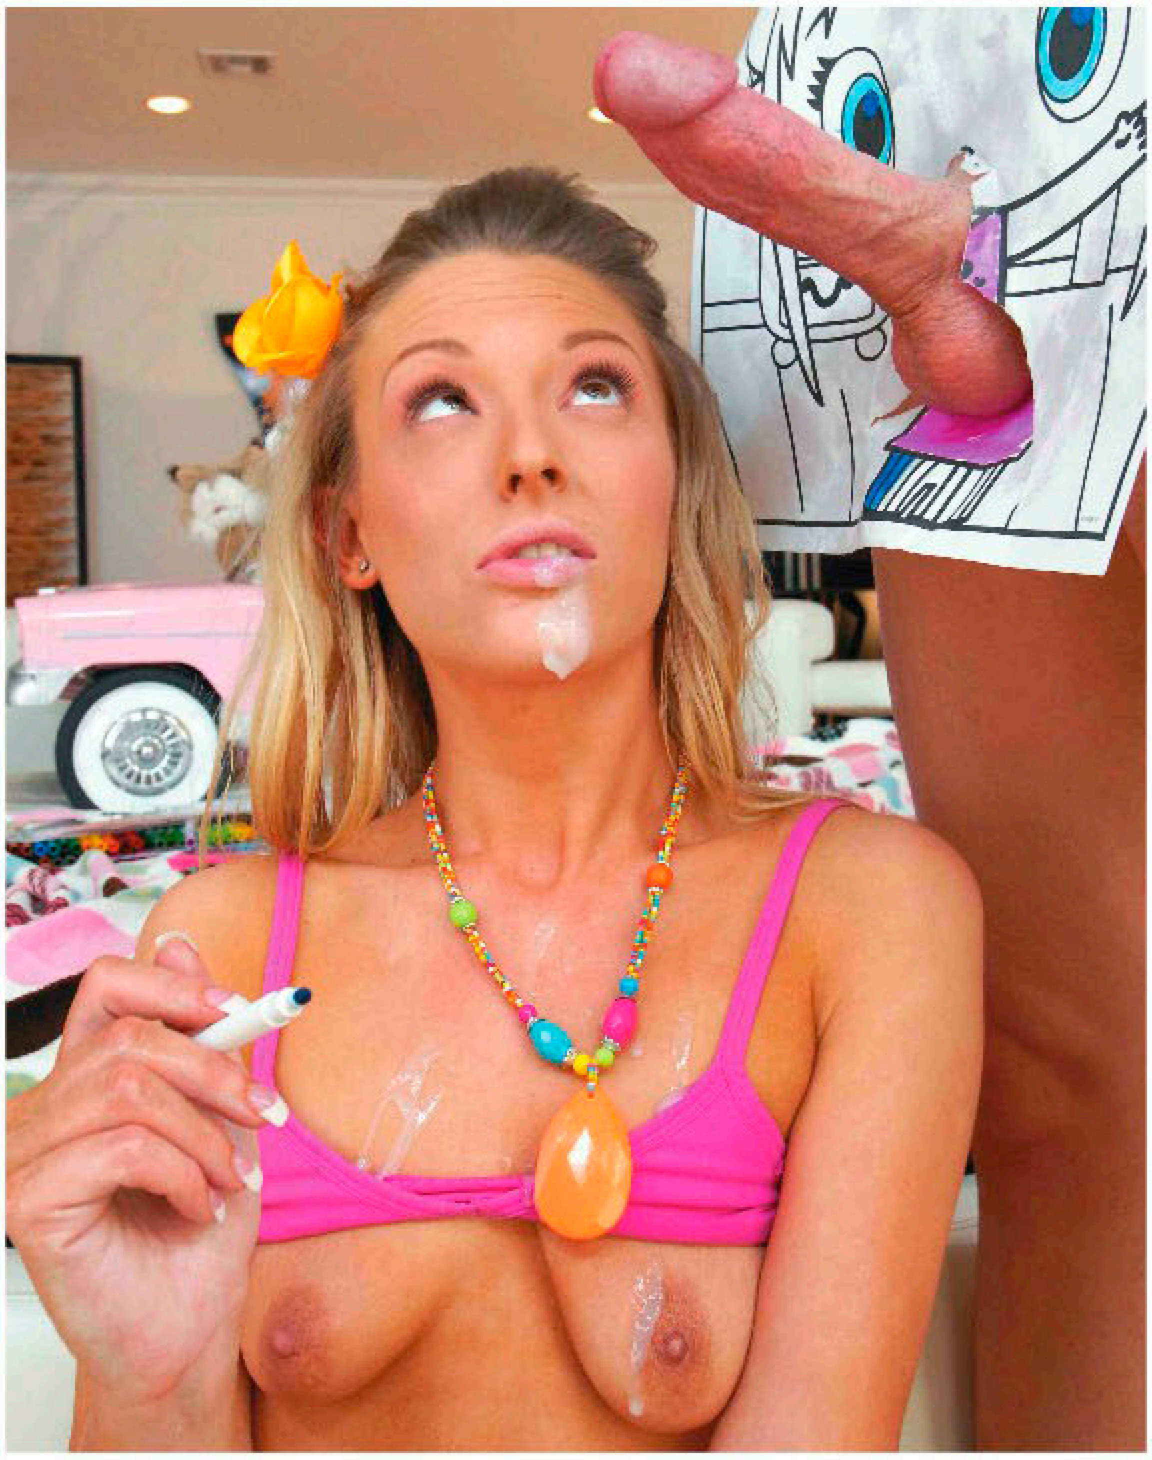
TRISTYN KENNEDY

She doesn't wear any panties under her flowery skirt and her well-manicured nails look like they have a lot of experience navigating their way around her puffy pussy lips, gently pushing them aside so that we can see inside and then her fingers can slip in, only to reappear glistening and wet. She takes a long, white marker and slides it slowly deep into her puss, a mere measuring stick for what occurs next.

She bends over and lets Mike tongue her puss 'n booty and suddenly she is cooing, sweet on his finger in her ass and her snatch getting round the pink attention. Soon her brown eyes are glued on his as she gargles on his cock, doing her best to get her tongue to his balls, but only making it about halfway before dumping all of her saliva on his dick.

All that spit comes in handy when he goes from the mouth-hole to the girl-slit. She is completely hairless, so smooth. But her semi-beefy lips betray her virginal appearance, the touch of both an 18-year-old's eager hands and the few peckers that have been fortunate enough to take early rides in the satin-cushioned pureness. Mike does his best at making that hole a little less pristine, but it's a price we're willing to pay when we can watch it go away with our own eyes.

She gets on her back and lets him shove it in, ripping down her shirt so he can handle her small boobs as she does her best to play with her clit, getting herself off in just a couple minutes, a process that is sexily repeated countless times as she snarls, teeth grinded together and her eyes squinting tightly and young pussy giving the clampdown to his big rod. Later she assists by sliding her middle finger in her ass, poking away at her innocence as he slams it away from the other direction. They close things out by returning to the mouth-stuffing and he blows on her face and in her mouth as she continues to milk his cock until his hardness reluctantly fades away.



EVILYN FIERCE

Evilyn tries to dress as maturely as she can, but she can't escape the tenderness of her ripe body even as she hides it, however briefly, under her clothes. No one needs to talk her into showing off her figure, and she gets off on telling us that her 18-year-old titties and pussy are just for us and our surrogate does a great job of prepping her vag, which is even meatier than the previous two girls. Maybe it only makes it more sensitive, because when a tongue hits her fleshy parts, she almost gets hypnotized into a dreamy moan, one that any of us would kill to wake up to.

Like the other scenes in the movie, she spends plenty of time sucking his cock, slobbering, swallowing, and doing her best to fit it all into her mouth. Good luck. Her pussy is easier and she's able to take his whole stick in a hurry and he swishes it around and probes her just right and she is open to his cock-wanderings.

One of them pulls out a vibrator and she holds it tight to her clit and they both get added satisfaction, but it's her that cashes in with an orgasm as he rams and rams until her puss squeezes so hard, he has to stop pumping. Soon as she loosens up, they do it again and her body does the wave on the bed as she cums again.

He greases up her ass to great effect, it twinkles in the light as he grooves her from behind, her ass big and firm, the booty still in its youth. It gives off a special gleam, too, when she is on top and sliding down his pole to another orgasm, her asshole looking tempting as it gets close to the camera. It's as if Mike can see through the camera because just as one fixates on that cheerio, he demands she stop riding his cock so he can fountain his cum. Since she's doubly hot, they keep on fucking and he blows a second wad on her mug.

LEXI DIAMOND

The final offering is the fun-loving Lexi, who is so cute and playful, it's hard to pin her down, and it seems nothing will calm her—until she's faced with a big dick. Suddenly she's almost serious and she shows a sudden maturity that has her stoking that spit-lubed member into her sweet-talking mouth.

She doesn't appear to be a newbie to the hide-the-salami game, not as she pulls her legs back all too easily and her hand slides around the outside toward her hot dot way too naturally for it to be her first week or so, but we aren't going to hold a little horniness against her, not when she can please a dick while keeping her look of innocent desperation on her face and those incredible tits perked up for the enjoyment of every man who's ever loved boobs. When strands of hair fall across her face as she holds onto the bed, guiding herself up and down on his dick, she looks as hot as anyone in the two hours of fucking and seems to have inspired the *So Young So Sexy* name herself.

There is a long, intense doggie-style that has our girl cooing at the blast in her gash and they close things out with Lexi pulling her legs back by her ears and him shooting his man-gas all over her delicious shaved snatch. Ah, what could possibly be better!

NIKKI

LIP SERVICE

Check-out the pink curtains on this young girl! Her sugary pussy lips are a mesmerizing sight alright—just look how her clit peeks out from her bald beaver like it's reaching out to grab your cock! **Nikki's** nookie is one fuckable cookie you'll want to eat and screw all at once. "I was blessed with good pussy genes," explains our anatomically correct cutie as she spreads those luscious lips apart, diddling herself in the bathroom. And it's not like she's even very experienced—this tight temptress has only been laid a handful of times! "I'm just learning how to use my gift. I learn to love my pussy more and more each day!" That makes two of us Nikki!

Veronique & Renae

Seeing Double

There's nothing wrong with your eyes. If you think you're seeing double, think again—it's just **Veronique** and **Renae Cruz** hugging and kissing each other! These two lovely Latin lust-pots may look alike, but there are some subtle differences in these young lezzie lovers—like Renae's butterfly tattoo over her pubic landing strip, or Veronique's protruding clit-nub that she (and all of us) love to rub. Of course, when their asses are up in the air and their faces are buried between each other's thighs, it's OK to mix up their mocha bodies as you jerk off uncontrollably and sweat gets in your eyes. Just go with it. They do!

Lindsey

Art Imitates Sex

Lindsey's a student at a prestigious art institute. Much of her professional training centers around expressionism and self-awareness, which all starts with her pussy. "As an artist I have to be aware of my surroundings," says our sexy student as she peels away her panties and finger-fucks herself in her studio. "The more I learn about myself, the more I can express my feelings to the rest of the world." She's not a painter or a sculptor in the traditional artist sense—Lindsey's more of a 'performance artist.' "I strip on weekends, so I know all about performance art. My body is my body of work. It's quite a masterpiece, don't you think?" Uh yeah, Lindsey, we think!
